EDUCATIONAL SCHOLARSHIP GUIDELINES

1. This scholarship fund is established by the Weiser Community Church for the purpose of encouraging families and students through financial assistance as a demonstration of our love.
2. The Elder Board will appoint a team of three to oversee the scholarship process.
3. Individual gifts will be designated to the scholarship fund only and not to specific students per IRS guidelines.
4. Award amounts will be at the discretion of the scholarship committee based on available funds and the number of applications.
5. Scholarships will be awarded to students who plan to further their education whether it be through college or trade schools.
6. This scholarship will be available to students and families who are members or regular attenders of the Weiser Community Church.
7. The student should have a record of attending Weiser Community Church's worship services, youth group and/or special events of service and fellowship.
8. Students must apply for the scholarship annually. Incoming first year students will be prioritized, but those in upper grades can apply as well and will be considered as funds are available.
9. Monies will be sent to the school or given directly to the student for books and other non-tuition expenses at the discretion of the scholarship team.
